Dear Parents and Carers,
We would like to take this opportunity to present you with the information for our 'Year Ahead' in Class 5L and 5T. For term one, we are adapting our curriculum to compensate for the lost learning that was inevitable during lockdown. Our 'recovery' curriculum will focus on teaching key concepts from the previous year; these will be covered before moving on to the current year's curriculum. Personal, Social and Health Education (PSHE) is also a key focus this term, to support all pupils on their return to full time education. We will revert to the current year's curriculum at the beginning of term two.
