Dear Parents and Carers,

Welcome back to school. Our children have settled in well, and are enjoying their new classes. Firstly, I want to inform you of our academic successes last year. Our phonics outcomes were 4% higher than Lincolnshire, and our KS2 progress score is 3.0 higher than national. This is the result of hard work and high expectations of our staff - across the school. We are very proud of all of our children and how well they have coped over the past two years. Congratulations to the children on their achievements, and thank you, parents and carers, for supporting your child's learning.

Now we are back to normality, events will be held in school again starting with our 'Year Ahead' meetings where your teacher will share with you this year's curriculum and explain how you can support your child to achieve to their full potential. Our parent consultation meetings will also be face to face.

We look forward to seeing you in school for our planned events - see dates below.

Mrs Wheatley M.A.
Headteacher
