

The Friends of Bishop King School Newsletter

Spring Issue 1

February 2024

Welcome to our first newsletter of the year.

Welcome to our first FOBKS newsletter. We hope that this will be a way of keeping everyone up to date with upcoming events, funds raised and how these are being spent. The Friends of Bishop King School are a small group of volunteers who all have a connection to the school or local community. We arrange and run events throughout the year to help raise funds for the children. Our two main events are the Summer and Christmas Fairs.

Other events planned for this year include a second hand uniform sale, half price book fair and a Christmas carol concert.

We need more volunteers. The FOBKS is open to all. Want to find out more? We will be helping out at the upcoming jumble sale - 22nd of February. Come and say hello and meet some of our volunteers. If you would like to get involved our next meeting is on **Thursday 7th March at 2pm**. Come to the front office and sign in.

What we have raised recently:

Christmas Fair £1,400

What we are supporting so far this year:

£2,000 donation towards the Early Years outdoor area.

£400 donation towards the Year 6 leavers party.

What does being a FOBKS involve?

We meet every half term for an hour to plan and discuss future events.

Helping out at events.

Deciding how funds can be best spent to help our pupils.

We welcome your feedback and ideas...

Do you have any exciting event ideas you would like to share?

Do you want more information about getting involved?

Email us

friends@bishopking.lincs.sch.uk

Thank you for attending and supporting our events. We are currently accepting donations of second hand school uniform and books for our upcoming sales which can be left at the front office.
