

ECO Council September 2025 - 2026

The following quotes tell us why the children enjoy being involved with the ECO Council.

‘We can help the environment, including the animals and the plants.’

‘I can help the school to do good things.’

‘I like recycling things and showing other children and adults how to do it.’

‘I love nature, it’s so beautiful and I want other children to love it too.’

‘We remind people to turn off lights so we don’t waste electricity.’

‘We come up with ideas to save water, like turning taps off properly.’

‘It’s fun because we get to share our ideas and help the environment.’
