Add and subtract 2-digit and 3-digit numbers not crossing 10 or 100. Add 2-digit and 3-digit numbers – crossing 10 or 100. Subtract a 2-digit number from a 3-digit number- crossing 10 or 100. Add two 3-digit numbers – crossing 10 or 100. Subtract a 3-digit number from a 3-digit number no exchange. Subtract a 3-digit number from a 3-digit number with exchange. <u>Multiplication and division</u> Multiplication using the symbol. Using arrays. 2 times table. 5 times tables. Making equal groups – sharing and grouping. Divide by 2, 5 and 10.	Identify and describe the functions of different parts of flowering plants: roots, stem/trunk, leaves and flowers. Explore the requirements of plants for life and growth (air, light, water, nutrients from soil, and room to grow) and how they vary from plant to plant. Explore the part that flowers play in the life cycle of flowering plants, including seed dispersal. <u>Working scientifically:</u> Comparing the effect of space for growth for plants; discovering how seeds are dispersed by various different types of plant life; developing understanding of the various parts of a plant and their function for healthy growth. <u>Inspirational careers:</u> Theoretical chemist: Dr Susannah Bourne-Worster

and justifying inferences with evidence.

Writing – Narrative and Poetry (Kennings)

Plan their writing by: discussing writing similar to that which they are planning to write in order to understand and learn from its structure, vocabulary and grammar.

Draft and write by composing and rehearsing sentences orally, progressively building a varied and rich vocabulary and an increasing range of sentence structures.

Evaluate and edit by assessing the effectiveness of their own writing and suggest improvements.

Proposing changes to grammar and vocabulary to improve consistency, including the accurate use of pronouns in sentences.

Proof read for spelling and punctuation errors.

Read their own writing aloud to a group or whole class, using appropriate intonation and controlling tone and volume so that the meaning is clear.

Multiply and divide by 3.

Multiply and divide by 4.

Multiply and divide by 8.
