Quotes from pupils (Please let us know anything interesting, surprising or wonderful which came out of the interviews with pupils)	The children were excellent ambassadors for their school and spoke with excitement and enthusiasm about RE and Worldviews. One child said she enjoyed learning about the 'creativity of different religions'. One child said when comparing RE with science 'there are similarities and differences - the science explains How but RE explains Why'. They said 'It is good to be able to ask deeper questions like -Who made God? Why did he do this?'
Please make a summative comment about RE in the school which may be used for publicity	The leadership of Bishop King Primary School is committed to the development of RE and Worldviews, which has an extremely positive impact on the quality of teaching and learning and provides a firm foundation for the children to make outstanding progress. The RE and Worldviews curriculum maximises opportunities for learning and developing the children's knowledge and understanding. By providing a nurturing environment and giving opportunities for the children to ask more challenging questions, their children can develop into more confident citizens in a multi-faith world. The Global Learning Curriculum further enhances the children's learning and provides purposeful and exciting experiences. Thus, inspiring and encouraging the children to have high aspiration to "dream big, love God, live well."

Any other comments about the school or the process	Mrs Wheatley and Miss Knapp are inspirational leaders who are committed to nurturing the staff and children, thus enabling them all to reach their full potential. They are committed to moving the school forward through its Christian distinctiveness, and their dedication and passion for the school and children shines through.
