

Foundation Governor Basic Information

Who can be a School Governor?

No special qualifications are needed to become a school governor.

However, if you take on this role, you will need an interest in the work of schools, their teachers and pupils, and education processes.

What is the Foundation Governor role?

Foundation governors are particularly linked with the Church School status, but could be involved in all aspects of school life in order to uphold the school ethos of Dream big. Love God. Live well.

Becoming a Governor at Bishop King Primary School

We welcome enquiries from potential applicants, who can then make a visit to the school, with the opportunity to attend a Governor meeting as an observer before making a formal application.

New Governors can pair with a 'buddy' for support and guidance.

Online training is available and 'learning on the job' is considered a good way to develop skills.

Reasonable expenses can be claimed by governors, eg for travel or child care.

We currently have vacancies for Foundation Governors

Enquiries are invited from potential applicants.

Please email: Clerk.governors@bishopking.lincs.sch.uk or telephone the school: 01522 880094.
