Dear Parent/Carer

HEAD LICE

I am writing to advise you to check your child's hair as cases of head lice have been reported in his/her class. Please check your child's hair on a regular basis, (this is an ongoing problem in all areas of the country), at least once a week would be a good idea. If using the "wet combing" method please make sure this is carried out every 3 days until no more lice are found on two consecutive occasions. Thank you for your help.

Mrs Wheatley
Headteacher
