Newsletter March 2021

Dream big. Love God. Live well.

Message from Mrs Wheatley

Dear Parents/Carers,

We are delighted that all of our children are now back in school. This term, our focus has been on settling them back into routines.

Our children have been undergoing short assessment tasks to see what gaps they have in their learning - due to so many of them being out of school for such a long period of time.

If your child has been offered additional tuition - before or after school - please accept the invitation so that we can help your child get back on track.

We will continue wearing masks on our school site until further notice; thank you for your support with this.

Have a lovely Easter break. See you all back in school on Monday 19th April.

Mrs Wheatley
Headteacher

Message from Chef

Dear Parents/Carers,

It has been lovely to welcome all the children back into school and see lots of new faces among them.

As you will all be aware, we have gone live with our cashless payment system WisePay for school lunches and we have our new Easter menu starting after the Easter holidays.

We still have a lot of parents/carers who have not used WisePay yet but after the Easter holidays this will be your only access for ordering lunches in school.

All orders must be submitted by 12pm on Thursday every week or you can order for the whole term – This includes children entitled to Free School Meals.

Please order with your child, we are having a lot of children at lunch time wanting to change their menu because they do not like what has been ordered for them by school. We want your child to enjoy their lunch time experience.

If you need a new password or any help with WisePay, please call or visit the school office, we will do our best to help with any queries.

Don't forget your order for starting back after Easter needs to be submitted by Wednesday 31st March at 12pm.

Thank you for your help with this.

Happy Easter

Kind Regards,

Chef
